

Public Transportation Services of the Isabella County Transportation Commission

19 April 2016

TO: Isabella County Board of Commissioners

FROM: Rick Collins, General Manager

RE: Ballot Language

The Isabella County Transportation Commission respectfully requests review of the attached ballot language for the renewal of ICTC's millage, to be placed on the August ballot. ICTC desires to have the issue considered by the Board of Commissioners on their May 3rd meeting. We understand the Finance Committee would review this at their 10am meeting to be held Tuesday, April 26th.

Thank you.

ISABELLA COUNTY TRANSPORTATION COMMISSION (I-RIDE)
MILLAGE RENEWAL PROPOSAL

For the purpose of continuing to fund the capital and operational needs of the public transportation services of the Isabella County Transportation Commission (I-Ride) and its successor within Isabella County, at the same level previously approved by the voters in 2012, shall the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Isabella, Michigan, previously increased by up to 0.9929 of one (1) mill (\$0.9929 per \$1,000 of Taxable Value) be continued and renewed for a period of four (4) years, 2016 - 2019, inclusive?

If approved and levied in full, this millage will raise an estimated \$1,708,120 for the County-wide public transportation services in the first calendar year of the levy. In accordance with State law, a small portion of the millage may also be disbursed to the Downtown Development Authorities of the Cities of Clare, Mt. Pleasant, and Union Township; the Local Development Finance Authority of the City of Clare; the Tax Increment Finance Authorities of the City of Mt. Pleasant; and the Brownfield Redevelopment Authority of the City of Mt. Pleasant.
