3. Public Comment

Director of Public Safety/Chief of Police, City of Mt. Pleasant, Paul Lauria, presented to the HRC committee how the public can make a formal police complaint. Mr. Lauria also shared example of the department's existing complaint form. This is in effort for the police department and the HRC committee to work closer together to advocate for and preserve the rights of all City and Isabella County residents. Amy Shawboose stated that some citizens are afraid to file a complaint against an officer because of fear of retaliation. Dawn Jevicks inquired if the complaint form can be

filled out anonymously, so citizens feel safe reporting the incident. Mr. Lauria stated that he will look into that. Amy Shawboose inquired if the link to the complaint form, which can be found on the Mt. Pleasant Police Department's website, could be linked to the HRC's website. 'Lauria confirmed that he and Maureen Eke have already discussed this and he will look further into how to do this. Dawn Jevicks asked if the public can fill the complaint form out online and email it to the Police Department versus having to print the form out and handing it in to the Police Department. Mr. Lauria will also look into this and report back to the HRC.

Amy Shawboose had a "Dream" request for Mr. Lauria. She stated that it would be beneficial to the public for the Police Department to create a video of what a standard traffic stop would look like. What will the officer ask the citizen? Also what a citizen can do when they feel the officer is being biased or discriminatory towards them.

Matt Mertz stated that some citizens have reported to him that they are confused over which phone number they should call in a non-emergency situation--State Police, City Police, County Police, Tribal or CMU Police. Mr. Lauria stated that by calling 911 the dispatchers will route the call to the appropriate police department.

Maureen Eke stated that the relationship between the Mt. Pleasant Police Department and the HRC will be ongoing. Mr. Lauria is invited to monthly HRC meetings, as his schedule allows, to report any Human Rights or citizens' concerns the public has shared with him or filed with his department. Maureen Eke and Mr. Lauria will discuss a co-sponsored Town Hall event to address the public's concerns with the Police Department to take place in (maybe Spring) 2019. Maureen Eke thanked Mr. Lauria for his presentation to the HRC and stated that she is looking forward to building a strong community relationship.
