

**Feral cat:**

a cat living in a wild state

**Semi Feral:**

a formally domesticated cat that lives near and is accustomed to humans

**Benefits:**

- Barn cats provide pesticide free rodent control!
- Save a shelter cat!

# THE BARN CAT PROJECT

Isabella County Animal Control and the Human Animal Treatment Society (HATS) are offering no cost feral & semi-feral barn cats to qualifying barn homes.

All cats will be spayed/neutered & vaccinated against rabies.

For information, to adopt, or to donate please call:

ACO Lori Smith (989) 773-9721 or Autumn 775-0830
